

MAGELLAN MSS ONLINE TRAINING CHAPTER 2 QUIZ

Answers to the questions below are easily found in the chapters the questions were pulled from. For example, Question 1 below refers to the beginning chapter, and question 10 refers to a later section of the chapter. I recommend that you have two web browsers open for taking these quizzes, one for the questions here, and one for the online training materials.

CHAPTER 2a **Mobile Site Survey**

Why is it important to know where in the United States a person plans to use the MAGELLAN system?

On the location where you plan to install the MAGELLAN, why is it important to scan this roof with a handheld magnetic compass?

If a customer does not know if they want a static, or dynamic IP address, which should you choose for them?

How much flat space is needed on the roof for a MAGELLAN Installation?

How many days should you allow for your first mobile installation?

CHAPTER 2b **Obtaining a SAN & PIN number**

What is a SAN & PIN used for?

What is the purpose of the Bandwidth Activation Form from Ground Control?

Circle the IRU Serial number on the Direcway Modem image below:

Is the customer required to sign the Bandwidth Activation Form?

CHAPTER 2c **Having the Correct Tools and Supplies**

What kind of sealant is used for filling holes drilled on top of the vehicle?

What kind of drill is used to make the large hole on top of a vehicle roof?
